Sesom Consultants LLC (SCON) is a Minority-Owned, 8a Certified, MBE Certified Small Business focused on providing business and IT support services to the Federal, State & Local government along with the Commercial sector. Here at SCON, we are experts in developing and cultivating business processes along with providing cutting edge and innovative solutions to foster an effective and efficient business environment. SCON is committed to our client’s success. We back this commitment through our collective capabilities and the operational efforts performed by our highly experienced team.

Collectively, our team offers:

- Broad competency – SCON’s deep federal experience integrated with commercial experience developing specific business processes and a variable knowledge base. We work collaboratively with our clients to help achieve management goals and meet milestones in order to move programs toward success.
- Focus on results – SCON’s clear vision and strategic planning give us the edge when helping our clients achieve their business goals. We bring a compelling combination of high quality services and competitive pricing, coupled with a passion to help our clients succeed.
